# K. W. KAYAKS

Once again in 1966 K.W. Kayaks were used to win all the leading British Slaloms. Due to the unequalled success of the K.W.7 Slalom canoe, this all fibre glass model is to be retained for 1967.

Also to be retained:—

The very popular K.W.4 Slalom/White Water Kayak.

The K.W.6 specialist White Water Racer, holder of the Leven Test record and the exciting new K.W.—C2. Canadian Slalom Double, already a proven winner.

## **K.W. KAYAKS**

have been used for **FIVE** successive years to win the British Slalom Championships.
