The provisional lists produced at the end of last year have been rearranged. The lists given below show the divisional status of each paddler at the beginning of this year. Previous arrangements for promotion by 'wins' through the season still stand.

As a matter of general interest, certain details have been carried forward from the provisional lists.

End-of-year ranking points/percentages are shown.

'S' Short Season paddlers results do not necessarily reflect their ability.

'Y', 'J' Such paddlers may not now be Youth or Junior.

Paddlers who did not compete last year are relegated by TWO divisions. Thus: last year's Div. 1 non-runners may this year compete only in Div. 3; last year's Div. 2 non-runners may this year compete only in Div. 4; and last year's Div. 3 or 4 non-runners may this year compete only in Novice. They will not feature on ranking lists until they next compete. Club Secretaries have lists of such paddlers as have been hereby relegated from Divs. 1 and 2.
