

TRYWERYN

DIV 2

SLALOM

JULY 14th/15th

**P. & E. Oldfield,
28 Crescent Road,
Cheadle,
Cheshire.
SK8 1PW.**

Location:

This slalom will be held simultaneously with a Division 3 event on different courses on the Afon Tryweryn International Site.

The site is situated approximately 4½ miles from Bala on the A4212. The entrance to the campsite will be signposted. If approaching the campsite from Bala, THERE IS NO LEFT TURN INTO THE CAMPSITE as it is situated on a dangerous bend. You should turn round in the site road which leads to the dam and lies about 200m further up the road. When leaving the campsite THERE IS NO RIGHT TURN. Failure to observe these restrictions may result in disqualification.

Campsite: (Tents & Caravans)

This event and the Division 3 event will share a common campsite at Tyn-y-Cornel Farm. After turning into the entrance to the campsite and crossing bridge follow owner's directions. For our continued good relations on this site please behave considerately on the campsite and there should be NO NOISE AFTER 10.30 PM.

Camping Fees:

Collected by owner - £1 per person per night.

Parking:

Cars may be parked on the campsite adjacent to the tents or in the car parks above Fedw'r Gog Bridge or on the road ABOVE Fedw'r Gog Bridge. THERE IS NO PARKING ON THE A4212 OR ON THE ROAD LEADING TO THE DAM BETWEEN FEDW'R GOG BRIDGE AND THE MAIN ROAD.

Course:

This event will use the section of river between just above Fedw'r gog Bridge (the International start) down to the scaffold footbridge. The Division 3 event will use a section below the Chapel Falls. There will be no paddling on the Division 3 course except with the expressed permission of the organiser (see Control notice board). No paddling while the course is being dismantled on Sunday. ASSISTANCE WITH DISMANTLING WILL SHORTEN THE DELAY.

Safety:

Crash hats and life jackets or bouyancy aids must be worn at all times when on the water. Any directions regarding safety during the weekend by Officials must be complied with.

NB For this event there must always be 2 or more paddlers at the finish for rescue duties. During Free Practice paddlers must ensure adequate rescue is available.

Practice:

Official Practice times are given in the start list. You must be on time or you will miss your run. The course will be available for free practice - complete runs only - Friday and Saturday evening BUT AT NO OTHER TIME. There is no access below Tyn-y-Cornel.
