Notes on the Dedham Novice & Handicap Slalom

Working from Colins time (as the only Div 1 man) is 194.9.
 The average of the Div 2 mens soores (3) is 202.6, a difference of 7.7 secs over Colins score I had allowed 10 Secs.
 The only Div 3 entered was Moggy, but being a good Div 3 paddler, I suggest we forget his score.
 Taking an average of the 4th Div scores we arrive at 219.1 a difference of 24.2 secs over Colins Score, I had allowed 25 Secs.
 The only 1 Div Lady Liz Sharman her time was only 12.9 secs behind Colins score, but her over all position was 3rd.
 We had no 2nd or 3rd div Ladies, our next paddler was Frances (4th Div), her time was 249, 54secs behind Colin I had allowed 50 secs.
 We had no 1st Div C1 or C2's, taking an average of the 2nd Div C1 scores we arrive at 236.4, 41 secs behind Colins I had allowed 35secs.
 The only 2nd div C2 was Gary & Nigle, their score was 240.4, 45.5 secs behind Colin, I had allowed 35secs.

As the 2nd & 4th div handicaps (Mens) were in my opinion correct I would say that the 3rd div mens & the rest of the Ladies handicaps would also have been correct. As for the C1 & C2's I suggest that another five seconds be added to their handicap, so the revised system would be,

Mens	4th Div	deduct	25	Seconds	from	Total
	3rd	"	"	20	"	"
	2nd	"	"	10	"	"
Ladies	4th	"	"	50	"	"
	3rd	"	"	45	"	"
	2nd	"	"	35	"	"
	1st	"	"	25	"	"
C1 & C2	2nd	"	"	40	"	"
	1st	"	"	30	"	"

As for the novice event where only the ladies and C1 & C2 were given a handicap I suggest that these were sufficient and that they are left as follows,

Mens	Total to stand unaltered
Ladies	Deduct 25 seconds from their total
C1 & C2	Deduct 20 seconds from their total
