BRITISH SCHOOLS SLALOM CHAMPIONSHIPS 1979

In view of the very large entry for this year's championship and the very great differences in standards of those taking part it has been suggested that next year a preliminary regional competition be organised - each region sending finalists to a testing competition on demand water. The suggestion envisages four or five area competitions and one national final. Views from all who took part or came along are sought. Please write to the organiser - Neal Underwood, 202, Kings Road, Harrow, Middlesex with your ideas on this suggestion and your comments and criticisms of this year's event.

FOUND

One pair of left handed paddles, shaped wooden blades, alloy barrel - please contact the organiser for return.
