CORRECTION: Ken Langford asks that we revise statements made on the Startlist, regarding Llangollen Town Slalom.

He says that the Executive accepted all (not some) responsibility for recruiting judges. He says that it was the Sponsors (not the Organisers) who sought foreign entries. The organisers felt that they had no choice but to accept this (and the Grand Prix). He says that the Sponsors are not attempting to lay on a disco (with free entry for judges), they have gone and done it.
