† Higher slalom placing decided on better 'other run'. \*Tie decider rule invoked.

THE 'CLUB TROPHY'  
(awarded for club participation)

- HATFIELD POLY C.C. 44 pts.
- Herts. c.c. 40 pts
- Hemel Hempstead 28 pts.

Once again the major titles were very close fought battles. The Senior class was well supported by Hatfield Poly (10), Herts (7) + Hemel (5); The top seven paddlers producing a competition of the highest standard .... sympathy to Phil Gooding losing the main competition for the second year running on the 'tie breaker' + congratulations to Andy Curtis for retaining it.

a pity the other classes were so poorly supported ..... is there really only ONE U.16 Junior lady active in Hertfordshire?  
..... and only U.16 Junior Men.....?
