## SERPENT'S TAIL FIRST DIVISION SLALOM.

27th/28th SEPTEMBER 1975.

Firstly will you all join with me in thanking the party of four 1st Div. paddlers and one girl friend who worked so hard on Friday to get the course up, the paddlers ruining their chances on the day. My condolences and sincere thanks go to a very small band of Judges, who, after being very badly let down by their so called colleagues, kept the Slalom going by staying in position much longer than it was reasonable to expect. I will say nothing about those who did not turn up and very nearly spoiled what turned out to be a great slalom.

### RESULTS.
