TRYWERYN DIVISION TWO SLALOM

Saturday and Sunday 14th and 15th June 1986

R E S U L T S

The Team Management Group would like to thank all concerned with the organisation, running and clearing up of the event and all competitors and their friends for making it such an enjoyable and pleasant weekend. Congratulations to all of you who got promoted, commiserations to those who did not get good results.

As you will know the profits of the event go to the British Slalom teams and, with the exception of the Intermediate team who were competing with considerable success in Merano on the same weekend, there was a substantial representation from each of this year's team and their coaches and managers. The event was run by the Team Management Group as there was no Club able to organise this particular slalom - as a result of the way things went we hope to run a Division Two event each year on the Tryweryn.

Again, thanks to everyone for their work and support; to the traders, especially Nomad, for the prizes for the draw. The lucky boat winner came from Winchester.

Sue Wharton has the details if you'd like them. After payment of site fees, event expenses and the cost of the prizes the total raised for the Team, including the raffle was about £970 - anyone like to make it up to the £1000?! - PLEASE!!! Thankk you - everyone.

Roger Annan, Organiser,
for the Team Management Group

PROMOTIONS AND POINTS

The first six paddlers were promoted in the men's kayak class, Paula Wignell - winning lady - was promoted. In the Canadians the large C1 entry meant 7 points for the winner - the percentage gained by the only C2 was not sufficiently good to gain a point - sorry!

I'm sorry the computer program does not identify Youth and Junior paddlers on the results sheet - we're working on this. There were 47 Y&J starters in K1M, 10 in K1L and 2 in C1. there was one verteran in C1.
