SLALOM CANOEING

STATEMENT FROM JURY ISSUED AT HOLME PIERREPONT

6/4/87

Our unanimous decision to derank this event is based on the following :-

- 1 We have considerable doubt regarding the accuracy and validity of the timing and scoring
- 2 i As an independent entity, we feel that inadequate manpower has made this competition inconsistent with other ranking events thus making unfair competition
- ii Scarcity and questionable quality of judges and other officials is so pronounced. However, we recognise that those present have done their best, working long shifts under difficult conditions.

We acknowledge the efforts of the Organiser, J. Croft, and his assistant, M. Carter, both of whom worked very hard in extremely difficult circumstances. In making our decision, we wish to record that this statement does not reflect on their abilities or actions as seen over this weekend.

Signed

W. Halton

SELECTION POLICY

As a result of the de-ranking of the event a statement was made by the Chairman of the Selection Committee - Roger Annan - as a result of emergency meetings of the Selection Committee and the Slalom Executive Committee. The decisions made were as follows:

1. That the event would not count for mandatory selection purposes (i.e. the winners were not automatically selected);
2. that Grandtully 2 would be substituted for mandatory selection and as a replacement selection event;
3. that the team management group would set and erect the course for Grandtully 2;
4. that all those competitors entered for Grandtully 1 who had not entered Grandtully 2 would be allowed to do so; and,
5. that in selecting for places at the Selection Committee's discretion the results of the Holme Pierrepont event would be considered alongside the results of other selection events.

As Chairman of the Slalom Committee I should like to place on record my appreciation of the work done by Jim Croft, the organiser and his team, in working for the event and to sympathise with them with the problems they had. The Slalom Executive will be considering the outcome of the event and will report in due course. In the meantime any views or comments you may have should be sent to Sue Wharton for consideration by the Executive.

Prepared on an IBM Personal Computer

What can one say after an a event like this.

1) To the competitors just sorry is not enough but I think most of you know how I felt after the event and thank you for the nice comments some of you passed on to me.

2) My sincere thanks to Mike Carter, Peter Jones, Skip and her girls in control Irene Osborne, Rod Gordon, Barry Peake and freinds and Lookers of Northwich.

All section judges and gate judges plus all helpers that volunteed and stayed at their posts beyond the call of duty.

And to all members of the Jury, Alan Edge and Ken Langford.
