Congratulations to all the prizewinners and promotees and my thanks to all of you for coming. Special thanks to Jim Croft and Skip and the Cheadle Rangers for the superb results service and to the jury and all friends and helpers. We at Banbury CC always receive support and help from many people from other clubs and it is much appreciated.

I regret that water time for the paddlers was restricted. The low level in the river made this inevitable if we were to maintain a reasonable level throughout the competition. It was a great pity that the short time which was available was spoilt for some by paddlers not in any way involved in the competition. We as a club will look at ways to try to prevent this problem which seems common at Holme events at present.

Once again many thanks for coming.
