

Results for Paul McConkey Slalom 14/15 Sept 02

This is the first year the Paul McConkey Slalom has been run at Nottingham and I would like to thank the following people without whom the event could not have been run.

- Members of Paul's family for coming to present the trophy.
- The timing team for putting up with such long days.
- Section judges for putting up with such a long day and the paddlers signalling.
- Andy Maddock (World Class) and Andy Haywood (NWSC) for their help in installing the boards at gate 5. (well worth the effort).
- Paddlers for turning up for judging duties and runs on time.
- John Wood for chairing the jury.
- Keith Goddard for printing posters and the start list.
- Nick Penfold for displaying the changes on his web site so promptly.
- Members of Stafford and Stone Canoe Club for doing all the jobs I gave them without complaining (too much).

Huw Swetnam won the Paul McConkey Trophy for the best aggregate results by a kayak man over the two days.

As a final note, my life as an organiser (and this applies more importantly to the long suffering timing team) was made much easier by having a full event and not having to take late entries on the day. The large number of entries received after the closing date did however mean overhauling the start list and adjusting the judging slots allocated. I can only apologise if this superseded the very professional start list, but the large number of paddlers who habitually enter late was the reason for the revised start list.

Phil Gooding
