The last ranking event run by the Llanqollen Canoe Centre and I must thank everyone for the sterling efforts throughout the season. The events have been a real example of team work. Special thanks to the families Ebrey, Lloyd, Francis, Richard Lee and the lads from Bala Helen/Chris, Judy/Paul and all the members of Llanqollen CC. JJ for the course design, yes folks blame Jim and lets not forget Fiona and Mike.

Congratulations to all promoted good luck to everyone see you all at Llanqollen next year.

A final appeal to you all as an organiser there were 66 late entries we even had people turning up on Sunday morning. It is impossible to organise an event under these conditions, we run events for you so give us a chance I was able to delay the start list to allow some flexibility but with such a large late entry it could have been a different story, 66 = two hours twelve minutes extra running time so the start list could have been that much out.

Yes we made a nominal £1 charge but that does not compensate for the possible inconvenience. So next year get the entries in on time, help us run a even better event for

Peter Francis
