Many thanks to all those who helped to run both days events so smoothly in such appalling weather. Thanks also to all those who competed, I hope you enjoyed yourselves despite the damp and will come again to future events on the site.

The only thing I would like to stress again though is about parking on the main road AND verges. There are still a few people who persist in doing this and their action ENDANGERS OUR WHOLE USE of the site for Wildwater Races (six per season).

PLEASE BE CONSIDERATE!
