SERPENT'S TAIL FIRST DIVISION SLALOM.

28th/29th SEPTEMBER.

Before all else, I wish to put on record my grateful thanks to the very small band of volunteers who turned up on Thursday and Friday to put up the Course under very difficult circumstances. If they had not worked like beavers you would not have had your Slalom. They numbered five in all, so you can guess the efforts that were required to be ready to start on Saturday at 11.30 a.m. Only Alan Edge, as Course Designer, is in the First Div. His efforts plus the heavy water, gave us a weekend with very interesting results.

FOUND. One pair of Bi-focal Spectacles which were handed in at Control after we had unrigged the P.A. If they are yours I suggest that you get into touch with me.
