

BINGLEY MYRTLE PARK NOVICE AND DIV 4 SLALOM, 25th/26th March '79 - RESULTS.

Hmmm, yes, well it certainly rained a bit, didn't it! I'm heaving a sigh of relief that my fears weren't realised - that someone would paddle all the way down to the sea, and that someone would get exposure after spending such a rotten night out under canvas. There's no point appologising for the state of the course: we did our best to keep the event running, and the protest committee did approve the course on Sunday for ranking status, since though there were only 15 gates, they were quite challenging!

Anyway, thanks to all judges, rescuers, course maintainers, and all other press-ganged helpers..... Special thanks to Mr Porter of Ribble, and Mr Flanagan, of I'm not sure where! Commiserations to those who didn't do as well as they'd hoped, and congratulations to those who did.

A few quick messages.....

LOST PROPERTY - key on keyring (near Pyrana van), purple bag, purple buoyancy aid, flask and stool. If you think any of it might be yours, please phone Revan Robinson at Bingley 7476.

BACK MARKS! - the rather rude C1 paddler whom we tried to accomodate, then he turned all peculiar (!) on Sunday and accused a harassed organiser of being stroppy. Not nice!
 - the very thoughtless owner/driver of maxi UBA 697S who drove across a newly prepared cricket green, yo collect his/her son's boat. I'm afraid there may be repercussions!

- the humorist who was doing rain dances all Saturday night.

Enough! Here are your results.....
