Results

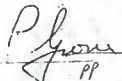

---

Now that the dust has settled, the results calculated, typed, printed and despatched, all that remains is to pay the bills and to thank everyone for making our slalom such a success.

We were blessed with good weather but plagued by steel-toothed midges, especially when the course was being set up.

I hope that you all enjoyed yourselves and that you achieved the results you expected and deserved.

My thanks to everybody who helped in any way whatsoever, especially the Jury, Judges and non-club member friends who stepped in to lend a hand.
