

Stafford and Stone Canoe Club

Llangollen Town Slalom, October 17th & 18th 1981

The results of the competition are listed below. Thanks to all who helped the event to take place successfully, particularly gate and section judges, many of whom did far more than the basic duties required. Apologies to those paddlers forced to take re-runs because of the clock failure early on Saturday. This was due to a power line coming adrift and the consequences were clearly identifiable even though inconvenient both to organisers and paddlers. Super-Tutti performed faultlessly for the rest of the competition, checked by back up watches.

Two pairs of trainers, a tracksuit top and a Helly Hansen jacket were handed to control as lost property and were unclaimed. P. Bromwich had an expensive sleeping bag stolen from the campsite. Enquiries or information to:
