(Day or Evening)

MARPLE NOVICE SLALOM 4/5th September.

The organisers wish to thank all the people who rallied round to make this slalom a success and also Kathleen Toothill for officiating at the prize giving.

For future reference, paddlers are reminded that after their run they must remain on the water available as rescue at least until the next paddler has finished. This rule applies to all events both slalom and white water races.

J.Hall.

RESULTS.
