

CANŴ TRYWERYN '83

September 3rd

Dear Paddlers,

Apologies for having to curtail the event on Sunday due to the lack of water. The water was turned off to prevent serious flooding in several houses in Bala. Never the less I hope that all those who paddled on Saturday enjoyed the new course on the Graveyard.

My thanks must go to all who made the event a success;

Alan Edge - who designed the course
Brian Tipper - for providing the timing
Richard Govier - for setting up the Communications
Tony Ford - for organising the judges
The members of Ceufadwyr Corwen & Mold CC for their hard work in organising the event.

Brenda Studley
Organiser.
