

GB Slalom Selection Policy for the year of 1977

Competitions to be attended

- Muotathal International
- Spittal World Championships

Selection Policy (Although not printed in the paddlers year book it is believed to be the following)

Men's Kayak (K1M) for Muotathal International

- 1st at Grandtully and 1st at Bala would give automatic selection for 2 places
 - The paddler winning Grandtully would be excluded from Automatic selection policy at Bala
- 2nd and 3rd at Grandtully plus 2nd and 3rd at Bala would be selected to compete at Muotathal.
 - Should winner from Grandtully or Bala also obtain a 2nd or 3rd position at either event they would be excluded from this selection structure and the final places would be highest placed paddlers on the aggregate of the 2 events excluding who has already been selected

Men's Kayak (K1M) for Spittal World Championships

- 1st at Grandtully and 1st at Bala would give automatic selection for 2 places
 - The paddler winning Grandtully would be excluded from Automatic selection criteria at Bala
- The 2 highest placed paddlers at Muotathal excluding the Auto selected paddlers will be selected.

Ladies Kayak (K1W) for Muotathal International

- It was deemed that selection for positions should be based on a paddlers capability and whether they had the potential to achieve a result in the 50% of the world ranking and possibly for experience for future internationals and world championships

Ladies Kayak (K1W) for Spittal World Championships

- It was deemed that selection for positions should be based on a paddlers capability and whether they had the potential to achieve a result in the 50% of the world ranking

Men's Canadian (C1M) for Muotathal International

- It was deemed that selection for positions should be based on a paddlers capability and whether they had the potential to achieve a result in the 50% of the world ranking and possibly for experience for future internationals and world championships

Men's Canadian (C1M) for Spittal World Championships

- It was deemed that selection for positions should be based on a paddlers capability and whether they had the potential to achieve a result in the 50% of the world ranking

Men's Canadian Doubles (C2) for Muotathal International

- It was deemed that selection for positions should be based on a paddlers capability and whether they had the potential to achieve a result in the 50% of the world ranking and possibly for experience for future internationals and world championships

Men's Canadian Doubles (C2) for Spittal World Championships

- It was deemed that selection for positions should be based on a paddlers capability and whether they had the potential to achieve a result in the 50% of the world ranking
