Our thanks to Harry Hines and his English Electric Leo Marconi Computer for the percentages.

We regret delay in announcing results at the Slalom. This was caused by shortage of staff at Control as several detailed for that duty were required to assist with judging.

Also we regret not keeping to programme time for which the principal blame rests on those judges who failed to report for duty punctually, but also on ourselves for not having reserves standing by ready to take over in such emergencies.

As there was not time to publish the gate penalties of the second runs on the Provisional Results Board these are published herewith.

LOST Spray-cover. D. Morton, 34 Ashgrove Crescent, Billinge, Wigan, Lancashire.

FOUND. Life-jacket (retrieved from river). Will any body which may have been attached to same please send description.

Pair of boots.

STOLEN. Reel of terylene cord. (Part of gate support which was not intended to be cut).

C.M. ROTHWELL (Hon. Secretary), 21 Windsor Road, Clayton Bridge, Manchester 10.
