### Stormy Weather

Thank you for acting swiftly when the announcement was made to clear the course. The action had to be taken for the safety of all paddlers, and it is hoped that this did cause too much disruption to the activities of the day.

Regatta Organiser

**WANTED** Once again it is time to appeal to the Clubs for more assistance in the running of the national competitions. A few people do most of the work prior to the event, but more pairs of hands are needed on the course whilst events are in progress. Please encourage members of your Clubs to offer their help, because without it the programme may be curtailed.
