**WANTED** Once again it is time to appeal to the Clubs for more assistance in the running of the national competitions. A few people do most of the work prior to the event, but more pairs of hands are needed on the course whilst events are in progress. Please encourage members of your Clubs to offer their help, because without it the programme may be curtailed.

**Information 2004** – Regatta events next season will start with all 1000m Races and then all 200m Races.

### To all fellow paddlers & team leaders

I would like to take this opportunity to thank you all for your kind messages of condolence following the death of Bob Porter. I do not need to remind you of his contribution to the sport and his dedication to Barking and Dagenham Canoe Club.

Bob was a legend who will never be replaced and although we will continue to go forward as a club, things will never quite be the same without him.

I would also like to thank you all for your offers of help and advice during our sad times.

Lastly I would like to thank the Racing Committee for their fitting tribute to him. **Jeff Brown**
