We regret delay in circulating the results owing to the fact that the first 20 cards of the afternoon runs (Open event, 2nd runs) are missing. Penalties have of course been found from the judges' slips but we could not complete the results until we found that the finishing judge had been taking notes as he heard by phone the times from the clock operator at control. Times are still not available for starting numbers 62 & 63 (Edmund Palmer and Roy Metcalfe) and to these competitors, placed as finishing 65th and 37th on their first runs only, we apologise.

Fortunately there has been no difficulty with the Novice results which is the only event that matters for the B.C.U. divisional system and we were able to post cards on the Tuesday to the first ten notifying them that, there being 98 starters, they had been promoted to Division III.
