

BEDFORDSHIRE EDUCATION COMMITTEE

(County Youth Service - Bedfordshire Young Canoeists Association -
Viking Kayak Club)

Bedford Mini Slaloms Spring
1971

We regret that, because some competitors did not comply with the regulations regarding the correct numbering of boats, there has been some confusion involved in the calculation of the results. We are certain that the first three places in each class are correct, and that the majority of the results are also correct. However if any competitor wishes to query the results given below we feel that we should remind them that those competitors with incorrect or indistinct numbers should have been disqualified and were fortunate to be permitted to participate. We feel that we must advise anyone who is in this position that at a ranking slalom a competitor MUST be at the starting line, on time and with the boat correctly numbered, or they are automatically disqualified. No delay is permitted.
