RESULTS - OPEN ARMY WHITE WATER RACING CHAMPIONSHIPS

1. The avalanche of late entries for the 1972 event stretched the results team to the absolute limit, so much so that we could not publish a set of results at the finish. We hope that this has not inconvenienced any competitor.
2. One problem of running an Open Army Championship event is that any bad publicity will reflect on the Army. There has not been a single complaint about a competitor at the 1972 event. A lot of good publicity for canoeing was gained in Richmond, 26th November 1972, and this is something all competitors can be justly proud of.
3. There will be a slightly different format for the 1973 event. There will be more classes for Juniors, probably a trophy for the civilian events. The event will become a full weekend event with a Team Event on the Saturday and the event starting early on Sunday. The same course will be used but we hope to include the Falls in the race and use the Old Station for the finish. A portage route will be marked out around the falls, and certificates will again be issued to competitors who shoot the falls. We also hope to provide more facilities for Competitors and Spectators.
4. Some prizes were wrongly awarded at the 1972 prize giving. Whilst we would appreciate prizes being returned where they were wrongly awarded, what we are anxious to do is to ensure that competitors who should have received a prize, do in fact get their prize. If you have not got a prize and you would have a prize, please write with details. You will receive your prize before the New Year.
