Our thanks to the competitors for leaving the venue tidy, and for their co-operation in the attempts to reduce the chaos of car-parking at the Power Station.

Also our apologies for the delay in the production of these results - we had over 100 entries and now is, after all, the time of exams and other delights, so processing took some time.

Anyway, keep coming and one of those times we might even manage to find you some water.

Hoping to see you here again next year,

Ronnie Allan,
Captain G.U.C.C.

15th March 1972.
