Note: 13 Men K1, 4 Ladies K1, 1 C2 and 4 Teams did not complete.

We hope that you enjoyed the event and look forward to seeing you at the USK II (Ranking) Event on 15th/16th January 1977.

Unfortunately, at the USK I race, a number of canoeists failed to paddle straight down the river and thus caused considerable annoyance to riparian landowners and obstructed the river for other paddlers. To avoid a repetition, we are forced to restrict access and will only allow White Water Racing Boats on the river at USK II.

We would like to thank all those who helped with the organisation of USK I and in particular, those whose help with regard to access or services, the race could not have taken place.
