Many thanks to all paddlers who made this event so enjoyable to run. I think that the rules need to be looked at again next year as to which region people actually qualify for as there were certainly some dubious ones here! For whoever runs this event next year it would be a great help if paddlers could enter as their REGION and not as their club.

Thanks also to all those who helped during the weekend (both days). It was a long stint but you did very well.
