Only teams listed by Dave Mylett as ranking have been awarded ranking points. Any who think they should be included should contact him direct.

My thanks are due to Kenny Bryce, Lindsay Bryce and Donald Pettigrew who helped at various stages on the course. Also to all land owners who allowed access across their land without charge.

Several bibs went missing: nos 105, 113 and 119 plus one from Team V. If you managed to pack one of these with your kit then please return it to Mike Tordoff as soon as possible.

Finally I would like to thank you all for turning up, wish you all the best over the next few months, particularly if selected for representative teams, and look forward to seeing you all again next year. Bring your friends.

pe To the gentleman who left his stern loop at the start perhaps that will persuade you to bring your equipment up to the required standard. You were after all unhappy with it yourself and I'm sure you would hate to be disqualified at a future race.
