Great Britain Junior Canoe
Slalom Team

&

B.C.U. Slalom Committee

Dear competitors

Results, Results, Results

Firstly apologies to you for having to wait so long for your results.

I would explain that the complete mess of results that was handed over to me as organiser from Technical and Timing has necessitated me re-running the event by entering all of the data using the Arrowsmith Srosoft package. I have had to correct many inaccuracies. Sufficient to say the only classes where there have been actual changes in positions are the K1M, Teams and Officials!!! Apologies if there has been any inaccuracies in the distribution of prizes as a result of these amendments. **All data entered is that as was displayed on the cards on the day** (with corrections carried out for faulty addition).

To those who have whiningly complained and quoted the year book sections in relation to organisers' deadlines for distribution of results and cards, I would point out that all other actions were carried out well ahead of time. I would resist further comment in relation to such persons for fear that I might offend, except to suggest they might like to be an organiser at HPP making use of the technical and timing system to run their event. At this time it is very difficult to see how such a system can claim to be an advance for our sport. Maybe I am biased, but the system as it stands only appears to be a very costly hindrance. At the present time organisers are required to use the system by the contract with the NWSC. When one compares it with other systems that are a fraction of the cost, one wonders how many events have to be restricted by the timing system before we abandon it. Please forward any comments, both positive and negative if you have a view on the issue of the timing system at HPP. Alternatively send any views direct to Technical & Timing.

Returning to the event itself. Thank-you to all those who helped in ensuring it was a successful event, particular thanks to those who wrote to me with complimentary letters. It was much appreciated after the dealings with timing.

Thanks are extended to all who supported the BCU Junior Canoe Slalom Team over the weekend. Particularly those who donated prizes to the raffle, who were in no particular order were: Scottish Paddle Supplies, Lendal, Ras Dex, Kogg Caledonia, Peak, Phoenix of Nottingham, Eddylines, Kodak, Clydesdale Bank, The Parent Support Group, BCU & Lloyds Bank. (If the following have still not claimed their prize can they contact Isaac Walsh on 01786 832484; Smith, 01509 218712; Emily James, Collins, 01585 842471; Hamish, 0831 477134; Ackroyd, K1M bib 45, Laura Blakeman.)

Finally on behalf of the BCU Junior Canoe Slalom Team, thank you for coming and supporting the team, together with contributing to an enjoyable and successful weekend.
