From the organiser....

One thing the organiser cannot arrange is the weather and often at HPP it can be miserable. But this weekend was glorious (apart for the breeze on Sunday). Thank you to someone.

A big and heartfelt thank you to all competitors and helpers who turned up and make this event a success. For the Saturday team event we had to rely heavily on volunteers to help judge the event and on such a hot day we were grateful for people prepared to sit out on the bank all afternoon.

On the Sunday due to a lack of judges we were forced to allocate officials duties to paddlers, this seems to be unavoidable at Div 1 events and will certainly be a common occurrence.

Special thanks go to the jury; course design, build and maintenance team; the pre-start, start and finish crews; timing team and clerks; rescue people; various people who looked after refreshments; the slalom site staff; and last but not least our sponsors who help to cover the cost of running the event.

Rugby Canoe Club is renowned for designing a course that is both challenging but enjoyable and this year was no exception. Our course designer, Diane Woods, I believe used all her knowledge and skill to produce a course that would test any paddler, providing a number of options depending on individual abilities and experience. It was therefore disappointing to receive so much early criticism about the course design. In fact the general impression after paddlers had learnt the course was that it was good. The message perhaps to other organisers is that a paddler worthy of progressing to prem. and international class needs a challenge, but there should always be the easier, but costlier options.
