Invitation for DW Membership

**So why do we need subscription paying members?** Firstly, we need your money – there are several Team Leaders whose budgetary needs are not being met by the Organisation. More importantly, we need a pool of people whose interest in DW sets them apart – a database of members gives us an active pool of individuals whom we can rely on for advice and help in different situations. It has been our intention to provide newsletters and information solely for members but accusations of being ‘a closed society’ led us to believe that it was more beneficial to the long term future of DW that all information was available to any who asked. ‘Asked’ is the crucial word here – please ask if there is anything you wish to know. As the saying goes, “if you don’t know, I know a man who does.” So all our newsletters have been publicly available and the members’ web pages have been abandoned. I hope you share our philosophy.

I hope we can rely on your support – please encourage the many DW devotees that we know there are, to support us in this way. After all £10.00 doesn’t buy a lot these days but a database of names of committed supporters is invaluable.
