	I2 TEAMS SCRATCHED.						

The organisers wish to thank all those who helped with the running of this event, the people in control, the rescue personnel, the ladies in the soup kitchen and all the others who volunteered their help.

The only disappointment was the Manchester canoe club member who could not read, who in spite of our repeated warnings not to take cars over the canal bridge onto the tow path, parked his car in the middle of the tow path outside the Chain Bridge Hotel.
