At last the results have been published! Apologies to all those affected by our ex-administrator.

Though I could not attend the event, I heard from my own club members who attended, that it was very enjoyable, so special thanks must go to David Anstee, who at the eleventh hour took over the task of setting up the course and all that goes with it (he did not take on the administration). Thanks must also go to Dereham Canoe Group (my club) for the loan of their slalom equipment, to all who helped put the course up, and to all those who attended.

There is not a lot else that I can say, so I shall wish those promoted an enjoyable time in Div 4, and to apologise again for the long, long delay in these results being sent out.

Jeff Toser

Chairman, Dereham Canoe Group.

Emergency Administrator and member of Norfolk Slalom Paddlers.
