THE AKC HANDICAP EVENT

THE AKC CHALLENGE SHIELD

## ABERDEEN KAYAK CLUB

is pleased to acknowledge the support of

I would like to thank all who took part as competitors and officials for making the weekend such a success. The AKC Handicap race had a field that covered a wide range of divisions, and with some competitors competing in several boat types exciting racing was assured. The Topo-Duo again proved popular as paddlers learn new techniques with it. It was particular pleasing to watch the youngsters try out in a slalom. Hoping this is an early start to a rewarding career for all concerned, the beaming smiles certainly brightened a busy day. Remember David Florence started his slalom career at Seaton and has progressed to Olympic medalist, have we inducted another Olympian within the following results, only time will tell.

Well done to the paddlers who won promotion to division 3 and hopefully the points will have aided some on their way into division 2. This year saw strong teams out from both Breadalbane and Selkirk and a real challenge for the AKC Challenge Shield, a very hearty congratulations to the Breadalbane team as they took the shield home to Tayside for the next year. Remember we want it back next year and we hope to have a stronger challenge to keep it..

As ever we thank Aberdeen City Council and the Seaton Park staff for the permission to run the event and their efforts to maintain this recreational green space as an attraction to all. I am very grateful to the crew who worked on Friday making the course ready and to everyone who helped during the event, especially to the safety crew, the bankside organizers and the Control Team. I know competitors will join me in thanking all those who manned the fabulous food tent for their unstinting contributions to catering before and during the competition, and those generous club members who donated the excellent cakes and soup.

Congratulations to all of you who won prizes, promotion or plain personal esteem through your efforts and enjoyment on the river.

Craig Douglas
