## Seaton Park Slalom Results

I would like to thank all who took part as competitors and officials for making the weekend such a success. The AKC Handicap race had a field that covered a wide range of divisions, and with some competitors competing in several boat types exciting racing was assured. The Topo-Duo again proved popular as paddlers learn new techniques with it. It was particular pleasing to watch the youngsters try out in a slalom event and great to see the youngsters getting an assist from parents during the Topo Duo runs. Hoping this is an early start to a rewarding career for all concerned, the beaming smiles certainly brightened a busy day.

Well done to the paddlers who won promotion to division 3 and hopefully the points will have aided some on their way into division 2, once again hearty congratulations to the home team for keeping the AKC Challenge Shield in Aberdeen. Saturdays results kept the top group fairly close with a strong showing from Breadalbane and Selkirk pushing the home team.

As ever we thank Aberdeen City Council and the Seaton Park staff for the permission to run the event and their efforts to maintain this recreational green space as an attraction to all. I am very grateful to the crew who worked on Friday making the course ready and to everyone who helped during the event, especially to the safety crew, the bankside organizers and the Control Team. I know competitors will join me in thanking all those who manned the fabulous food tent for their unstinting contributions to catering before and during the competition, and those generous club members who donated the excellent cakes and soup.

Congratulations to all of you who won prizes, promotion or plain personal esteem through your efforts and enjoyment on the river.

Craig Douglas
