DEE I NOVEMBER 4th & 5th 1978/9 SERIES

B.C.U. NUMBERS

RULE 2.8.1. This rule was emphasised on the Start List. As this was the first race to which the rule applied and as entries had already been received, before the distribution of the Year Book, facilities were provided over the whole weekend for paddlers, who had not enclosed proof of membership with their entry, to produce it. 9 Paddlers neglected to do so and thus have not been given a result by me.

THE BCU CARD OR A PHOTO COPY MUST BE SENT IN ADVANCE.

Please note. The Executive ruling is that proof must be provided with every entry. Reference to a previous entry is not acceptable.

5 Teams scratched, 2 retired.

The executive would like to draw to the attention of paddlers. Paddler status Rules 2.2 and 2.3 relating to composition of Teams in Team Events.

Paddlers who compete under a Team Name will only be eligible for that team if they represent that club in the individual event. Composit teams may race but will not be eligible for prizes.

John Handyside
Secretary

The organiser would like to add that the onus must be on the teams to make their status clear when entering the event.

Manchester Canoe Club would like to thank Mr & Mrs Edwards of Llandyn Hall, the Proprietors of the Chain Bridge Hotel, the Llangollen Anglers, the Landlord of the Ponsonby Arms, the people of Llangollen and the Police for their co-operation and hospitality. Our thanks to members of Hazel Grove Sub Aqua Club.

On a personal note I would like to thank all those club members who turn up to help with unfailing regularity and our rescuers who provide a most essential service.
