Open Training Weekend

Holme Pierrepont December 15/16 1979

This really is an Open Event, open to all classes of paddlers who wish to learn more about WWR. Coaches attending this weekend are - Peter Probst, Swiss C2 champion and silver medallist at the World Championships and it is expected that Jean Pierre Burrney - World Champion K1 will be there besides the top British coaches. A Sports Scientist has also been invited to attend. People interested in the BCU WWR Trainer/Coaches scheme and also those interested in becoming an ICF Expert ready for Canoe 81 will be catered for. The cost of the weekend including accommodation is approximately £10. Details from George Hodgson, The Cottage, Withington Green, Leigh, Nr Stoke on Trent, Staffs.

Will the owner of the buoyancy aid lent to Sue Templeton so that she could go to the aid of a paddler in difficulty reclaim it from me.

Whoever acquired an almost new pair of wet suit boots please return them to Pete Godfrey before the spell works and your feet drop off.

Car Parking The only cars allowed into the canoeing side of the car park for the next race will be those picking up boats for competitors and those belonging to race officials.

RACE DATE CHANGE NORTH TYNE RANKING DIV C AND OPEN NOW SA TURDAY 24TH NOVEMBER
not Sunday 25th November as in Yearbook.

Entries - Dave Taylor, 22 Oakfield Road, Lobley Hill, Gateshead.

MCC would like to thank the proprietors of the Chain Bridge Hotel, The Ponsonby Arms and Caesars Restaurant, the Llangollen police, the Committee of the Llangollen International Musical Eisteddfod and the people of Llangollen for their cooperation and hospitality, also Hazel Grove Sub Aqua Club for their help.

We would specially like to thank Mr Ireland of the Woodlands Hotel. Unbeknownst to us the previous landlord had moved away and with very little notice, and a car rally on his hands, Mr Ireland still welcomed us. Not only that but if we can keep the car parking under control he is prepared to have us again.

My thanks to the many people who helped both on and off the water.

N.E.Godfrey
