Except by winning it is not possible to get promotion on one result.

Those who have been promoted during the season appear on the lists both for the division they have been promoted to, and that from which they were promoted.

As a result of the changes in the Divisional rules made during last winter, any one not shown on these lists will start in the Fourth Division next year. Errors and omissions always excepted.

Should I have not given your name in the correct or preferred manner, omitted your Christian name, or even that your ranking figure seems wrong, please write to me with as much detail as possible.
