**Note:** Due to rapidly rising water conditions after the first runs on Sunday, the second runs were de-ranked by the jury and the event therefore decided on the result of the first runs only.

The organisers wish to thank all who helped with the organisation of the event - in particular the jury chairman Roy Bradshaw, the West Yorkshire crew lead by Kevin Cooke who erected the course, all judges, control and site staff, the computer boffins, the site warden Frances Petchey, the paddlers who so willingly and capably provided safety cover on Sunday afternoon, and not least you, the competitors for making the event successful and enjoyable - do come back next year!
