# COME CANOEING AT SLENINGFORD

**SOMEWHERE TO PARK - SOMEWHERE TO CHANGE - SOMEWHERE TO LAUNCH**

**Your contribution towards the provision of these facilities is £2 per paddler .**

**Sleningford Watermill is a well established caravan and camping park within a beautiful riverside area and described by the Yorkshire Tourist Board as making the most of the natural environment. The Park is open for camping from April to October, but in its unique position it is able to offer year round facilities for canoeing, increasingly a family sport. An ideal white water stretch presents a challenge to all levels of competence depending on the state of the river at the time. During the less busy times there is plenty of space and for some years the site has hosted a National Div 4 and Novice Slalom.**
