..... 000 .....

Thanks to everyone for turning up and making the event possible.

A special 'thank you' to all the judges - including the non-competing judges; those who erected the course, and maintained it; all involved in control, start, finish, and with results; also, the people in the refreshment tent.

My thanks, too, for the help I have received in compiling start and result sheet.

We wish to extend our thanks to Dr. Steel - President of Worcester Canoe Club - for once again this year presenting the trophies.

MIKE HAWTHORN - ORGANISER.
