The following is the points scoring system that was used for determining the Southern Region Club Champions. This scoring system was posted in the Control hut.

The winning club shall be that with the **HIGHEST** number of points.

The maximum points shall be one more than the number of clubs competing.

The points score for K1M Premier and C1 shall be **DOUBLE** that of the other classes due to the requirement for double the number of competitors.

A club without an entrant in a class will score **NO** points.

A competitor who starts but fails to finish **WILL** score points.

The Winning Club and the Second Place Club will be nominated as SOUTHERN REGION entrants to the NOMAD CLUB CHAMPIONSHIPS. The rules for the NOMAD CHAMPIONSHIPS shall be as laid down by the organiser of that event and may differ to the above rules for the Southern Region Club Selection event.

The final entry list for the Southern Region selection event comprised three club teams ; **WINDSOR , BANBURY , CHALFONT PARK**, therefore, the class winner was awarded 4 points (8pts. in the case of Premier Men and C1).

The results were ;

1st	CHALFONT PARK with 49 points
2nd	WINDSOR with 45 points
3rd	BANBURY with 25 points

Each member of the winning team was presented with an inscribed medal and the team manager received the Southern Region Club Champion shield.
