Holme Pierrepont

14th/15th September 1991

RESULTS

Trevor Bailey

There was a lot of rumour going round the site on Sunday about the possible death of Trevor Bailey, Director of the British Canoe Union. Sadly we have to confirm this rumour to be true.

On Saturday Trevor was training with a partner in a sprint K2 on the regatta lake while our event was taking place on the Slalom Course. The lake was exceptionally choppy and approximately $\frac{2}{3}$ of the way through the paddle the boat was swamped. Both paddlers swam clear and set out for the shore. It was during this swim than Trevor disappeared below the surface. By the time his body was recovered attempts at resuscitation were unsuccessful.

Trevor was training for a sponsored paddle on the Ardesch to raise money to send a sprint team to Australia.

This news was announced at prize giving where a collection was made. The money from this collection will be used to purchase a memorial trophy which will be presented at this event each year.

Thanks

Thanks go to the Sla Soft Timing Team for their computer systems and their timing of the Bottom course. Also to the Cheadle Rangers who stepped in at a week's notice to time the Top course. Thanks to all the judges and the jury for their extra efforts and long stints which enabled us to man two courses. Thanks to all the members of Banbury Canoe Club who worked to make the weekend possible. Lastly thanks to you, the paddlers, for putting up with low water conditions, lack of practice and the unusual event format.

Congratulations

Lastly our congratulations to all the prize winners who are shown in **bold** on the results which follow. Also to those promoted - the top six paddlers in the K1 Men's event and all those Ladies and Canadians who now have enough points for Division 2.
