	Badger/Fowler	

Many thanks to ALL those who help to make these events run so smoothly, this includes paddlers as well as helpers. The only complaints I had to deal with from locals were about paddlers parking at Appletreewick on Sunday DESPITE the requests on the Start Sheet not to as well as there being clear signs on the roads. This sort of behaviour does nothing to improve our relationships with the local community and can only threaten our continued use of the site. Please help in future by first ensuring you are not at fault and then pointing it out to others who may be. Thanks.

DIVISION C PADDLERS

The WWR Exec have introduced a scheme to help people get promoted during the season. At each event the paddlers not promoted by a win or 1 in 5 method are awarded POINTS. The value of these is based on the size of the entry. ie. In an event of 50 people the top 10 would be promoted automatically. 40 people would be left so the max. points (for the person in 11 spot) would be HALF this number ie 20. 12 spot would get 19, 13th 18 etc. All finishers will get 1 point. When a paddler has got 30 points they will automatically go up to Div B (max points at any event 25) This only applies to MENS K1 at present.

MISSING

One pair of Mark Gees WW Blades 215 cms 70 degree feather belonging to Nick Gatland, 14 Westfield Rd. Bengoe, Hertford. Disappeared from the Finish car park at the Washburn Race.

Next event on Washburn/Wharfe February 27/28. Get your entries in on time!
