Viking Kayak Club would like to thank everybody who helped in any way to keep the event running despite the inclement weather conditions on Saturday, and also the competitors who, in the main, managed to master the unusual conditions created by the new artificial course.

To those who decided that it all looked too much, or found that the stanchions had "teeth" we hope your experience will not put you off, and to all competitors we hope you will encourage your clubs to book the course for training.

The club would like to thank the following for their assistance before, during, and after the event: Colin Henman (For Yugo Cars), St. John Ambulance Brigade, Ian Pendleton (Chairman of Jury), Bryan and Gill Stanley, Pyranha, North Bedfordshire Borough Council, Anglian Water Authority, Sports Council, Granada T.V., Rentals, Cardington Management Committee.

My personal thanks go to Jim Croft, Karen Rogers, Dave Janes, Kevin Worsley, Mavis Heaume, David Hall, Alan and Angela Coates, Norman Wilkerson, Margaret and Alec Rogers, and all judges who turned up. Thanks also to all competitors who camped for leaving the site spotless.

Two items went missing over the weekend, if anybody finds that they have accidentally picked them up would they please return them to the organiser: 1 translucent red crash-hat and 1 Orange Peter Storm.

Any groups wishing to book Cardington for training purposes please contact Pete Wathen. Tel. (0234) 47865.

Bedford
October, 1982.
