My sincere thanks to everybody who helped with the setting-up and running of this event, especially those members of Viking Kayak Club who braved the rain to set the course up.

Congratulations not only to those who won prizes, but also to all those Novices who coped with the tricky conditions.

1986/87 Series Prizes will be presented on Saturday afternoon at the Cardington Div.3 Slalom 28/29 March, organised by the Eastern Region Slalom Squad. Come along and offer your help - you could be in the Squad one day!
