Viking Kayak Club

Founded 1961

Welcome to the new season ! I am sorry the elements conspired against us, but all those of you who took part showed the true spirit of Slalom in your determination. Those who could not quite pluck up the courage to race should not be dis-heartened, after all 'discretion is the better part of valour' !

We all owe a tremendous debt of gratitude to all those willing volunteers without whose hard work from Friday morning in three inches of snow right through to Sunday evening in three inches of mud the event could not have gone ahead. I cannot list them all here because I do not have enough pape but to them all, whether putting the course up and taking it down, Judging (no protests), Timing and Control functions, Catering, Rescue, Jury, etc. I thank Everybody concerned on behalf of the Club and all competitors.

Congratulations to those of you who earned promotion on taking a step up the ladder of British Canoe Slalom (a certain Richard Fox took part in his first formal Canoe Slalom here in the '70's) and to the rest of you I hope you may have learned something which will stand you in good stead at a future race.

Thanks to Jim Croft (Slalom Sports), Fenlake Auto-Electrical Services, and Mike Stott (M. S. Engineering), for the loan of various equipment, and especially to Whitbread Leisure for the generous donation of vouchers for some of the Prizewinners.

Thanks to Bedford Borough Council for their permission to hold the event , and for the use of the Camping area.
